Gentle, lightweight comfort.

We measured hundreds of heads to engineer a headset that's ultra-lightweight and extremely comfortable, with a reinforced steel headband and a new design that exerts gentle, evenly distributed pressure. Because all-day comfort means all-day productivity.

Flexibility you can rely on.

With a reinforced steel headband and slider, and significantly enhanced protection of both internal and external components, this headset can go with you wherever you go, for maximum lifetime value and reduced replacement costs.
